Sphere essentials

A number of tools and resources have been developed to support humanitarian professionals working with the [Sphere Handbook](#) and the [Core Humanitarian Standard](#).

You will find "Sphere unpacked" guides, training resources, videos and promotional materials in several languages below.

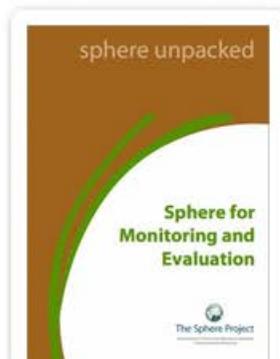

We [welcome your feedback!](#)

(See the latest additions to the resources database [here](#).)

Sphere for Assessments (Sphere unpacked series)

► Download it in [English](#) or [other languages](#).

Sphere for Monitoring and Evaluation (unpacked)

► Download it in [English](#) or in [other languages](#).

The CHS and the Sphere Core Standards

► Download it in [English](#) or in [other languages](#).
